# Ways to Engage & Support Our Work

- **Advisory Teams (AT)**

- Monthly calls
- Strategic and tactical input on current and potential new activities for NEWDIGS

- **Working Team (WT)**

- Biweekly/ monthly calls
- Technical expertise on a specific workstream
- Hands-on support as needed (e.g., writing, review of Briefing Books for Design Labs and publications)

- **Input Upon Request (IUR)**

- Ad hoc input into specific issues (strategy, technical issues, community-building, etc)
- 1:1s, focus groups, review communications
